Sri V. N. PATIL.—Sir, in my question I have specifically asked which are the lands available for distribution for the landless persons in which village, and what are the survey numbers. May I know whether Hon. Minister can give these details at least now ? Will it be possible to place that information on the Table of the House ?

Sri H. V. KOUJALGI.—We have asked the local officers to find out that information not only in this district, but throughout the State. When that information is received, that will be made available.

Sri V. N. PATIL.—I have specifically asked what steps Government have taken to distribute the land amongst the landless. May I know what steps Government are taking to distribute ?

Sri H. V. KOUJALGI.—Lands have been distributed as per land grant rules.

Sri J. P. SARWESH.—As it is shown on page 15, after distributing excess lands available, will the Government be able to solve the problem of the landless tiller ? If not, what other steps Government intend to take to satisfy the land-thirst that is increasing among the landless people who form 50 per cent of the population of the rural areas ?

Sri H. V. KOUJALGI.—Whatever lands that are available will be distributes as per land grant rules. According to the Land Reforms Act Government expects some more land after the ceiling is fixed. These lands can be distributed among the landless. Beyond this nothing can be done.

Sri G. CHANDRAKANTH.—May I know in how many genuine cases, regularisation has been done and how many are pending ?

Sri H. V. KOUJALGI.—I have not got that figure, Sir.

ಶ್ರೀ ಎಂ. ಎಚ್. ಜಯಪ್ರಕಾಶ ನಾರಾಯಣ್.—(ಅ)ಗೆ ಉತ್ತರವಾಗಿ ಹೇಳಿರುವ ಪ್ರಕಾರ 14,175-07 ಎಕರೆಯಷ್ಟು ಜಮೀನನ್ನು ಗಾಂಧಿ ಶತಾಬ್ದಿ ವರ್ಷದಲ್ಲಿ ಅಂದರೆ ಅಕ್ಟೋಬರ್ 2ನೇ ತಾರೀಖಿನೊಳಗಾಗಿ ಪೂರ್ಣವಾಗಿ ಬಡವರಿಗೆ, ಹರಿಜನರಿಗೆ ಕಾಗೂ ನಿರ್ಗತಿಕರಿಗೆ ಹಂಚುತ್ತೇವೆಂದು ಹೇಳಿದ್ದೀರಿ. ಆದ್ದರಿಂದ ಆ ಜಮೀನನ್ನು ಅಕ್ಟೋಬರ್ 2ನೇ ತಾರೀಖಿನೊಳಗಾಗಿ ರ್ಯಾಂಡ್ ಗ್ರಾಂಟ್ ರೂಲ್ಸ್ ಪ್ರಕಾರ ಏಲೇಪಾರಿ ಮಾಡುತ್ತೀರಾ ?

Sri H. V. KOUJALGI.—It is not possible to distribute all lands or dispose of it by October 2. Anyhow, Government is anxious to see that these lands are disposed of within a year.

Sri A. R. BADRINARAYAN.—Is the Government aware that between the assurance given by the Hon. Minister and its implementation by the local officers, there is a lot of disparity ?

Sri H. V. KOUJALGI.—Government is aware. That is why rules are being amended and we have published them and sought the advice of hon. Members. They are going to be finalised very shortly ?

Sri V. N. PATIL.—My question (*c*) is specific. I want the steps taken by the Government to grant occupancy rights to the landless because we have persuaded the people, in anticipation of a favourable reply from the Government, to occupy the Government lands wherever they are available and wherever it is possible to occupy them in view of the prevalence of Grow More Food Campaign and step up production of food. They are already in possession of those lands. On the basis of documentary evidence, will the Minister assure this House that *patta* will be granted to those agriculturists who are in possession of Shiva Jama lands and produce receipts for having paid revenue ?

Sri H. V. KOUJALGI.—The Shiva Jama lands are a very peculiar kind of lands. I have already stated that in the case of those who are in possession of Government waste lands prior to the coming into force of Mysore Land Reforms Act and those who are poor and landless, it is the intention of the Government to consider their cases sympathetically.

In the case of the people in some parts of erstwhile Hyderabad area and Bellary District, who are continuing in the land since many years and who are paying taxes, their cases will also be favourably considered.
